## President's Message

As 2022 is coming quickly to a close, we are thankful to everyone we got to see at our events this year—both volunteers and members of our community. We are planning a lot of exciting things for next year. Our organization succeeds with the help of our community! We are always looking for volunteers, for the events listed on the front page, as well as ones that we are planning for 2023. If you are interested in volunteering with the League please contact us at 780-471-2758 or email us at [mcl\\_newsletter@yahoo.com](mailto:mcl_newsletter@yahoo.com) Wishing all residents of Montrose a happy 2023!

—Scott Griffin

## Pop-up Garden 2022

We had a successful 2nd year doing the pop-up garden through the City of Edmonton. Thank-you to all that participated, we were able to donate a good haul to the foodbank. We are still raising interest in a permanent garden, please contact us if you are interested in helping with this.

## General Meetings

The board meets once a month, anyone welcome to come, but must be league member to vote. Our annual general meeting is in May when we hold elections for a new board.

Next meeting:

Tues. Nov 15, 2022 | 7pm
